

## Breadshot Filling

A concentrated preparation range designed for addition to a dough to add soft textural 'bits' and flavour excitement to breads, buns, dinner rolls, scones, muffins, pizza dough, etc.

Our testing work incorporated approximately 10-20% preparation to dough weight but we recommend you trial the preparations to find the ideal 'flavour' boost you want in your final product.

Available in convenient 1.25kg piping bags

### Flavours Available

- Caramelised Onion *DF HS*
